

CONSUMER & COMMUNITY INVOLVEMENT IN RESEARCH

ONE-DAY INTERACTIVE WORKSHOP

Interested in involvement? The Consumer and Community Involvement Program can help to get started!

"inspired me to look at current and future projects and how to get started"

STUDENTS WELCOME!

Developed in direct response to researcher enquiries about practical ways to involve consumers and community members in their research the Involvement Program designed this workshop to help researchers:

- Increase awareness of the value of involvement
- Develop understanding and skills on the 'how and why' of implementing involvement
- Identify and address the barriers to consumer and community involvement

You will learn from researchers and community members with first-hand experience of consumer and community involvement in research.
