

# Early Environment Research Focus Area

## Early Environment RFA 3<sup>rd</sup> Open Forum

Telethon Kids Institute Seminar Room

Tuesday 10 May, 9.30 – 11.30 am

Coffee available from 9 am and a light lunch provided

### Forum

The Early Environment Research Focus Area (RFA) at the Telethon Kids Institute would like to invite you to a forum showcasing research into: the effects of the early environment on health and development in childhood and beyond, and the prevention and treatment of environment related chronic conditions in childhood and beyond.

Speakers will be giving bus stop presentations, sharing details of existing projects and ideas for new projects and collaborations.

### RSVP

**Your opportunity to present:** If you would like to explore collaborations by giving a 3 minute bus stop presentation, please [register your interest](#) by **Friday 29 April**.

**Attendees:** please [RSVP online](#) by **Wednesday 4 May**.
