

# Joining the PMH Research Skills Seminar Series via Videolink

The PMH Research Skills Seminar Series is available via videoconference through the Statewide Telehealth Service (STS). This means you can watch and listen to any of the seminars from:

- a) a designated venue
- b) a local meeting room with videoconferencing facilities
- c) from your PC via the SCOPIA desktop.

## Designated Venues

There are designated venues hosted by site coordinators that you are welcome to watch the seminar with your colleagues.

For details please contact the site coordinators as follows:

Royal Perth Hospital: Gabrielle Howarth (email: Gabrielle.howarth@health.wa.gov.au)

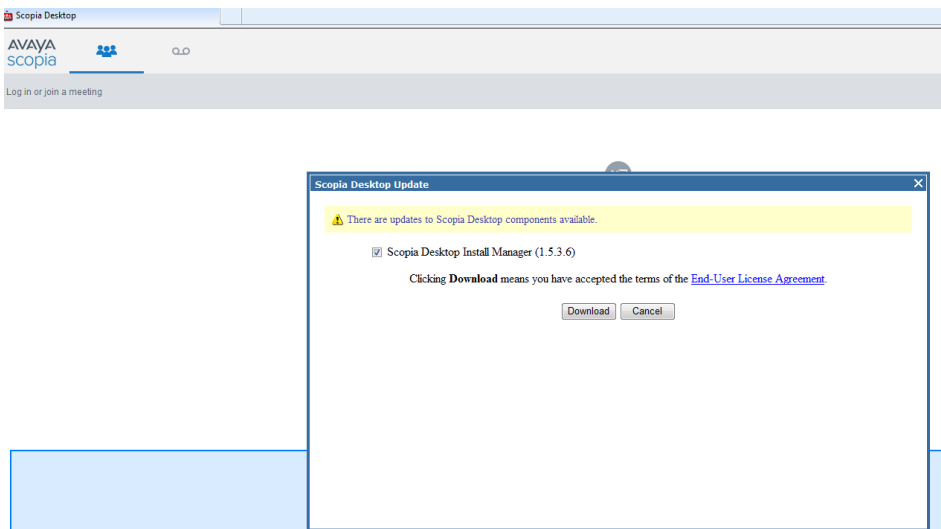

Fiona Stanley Hospital: Gabrielle Howarth (email: Gabrielle.howarth@health.wa.gov.au)

St John of God Hospital: Hayley Roberts (email: Hayley.Roberts@health.wa.gov.au)

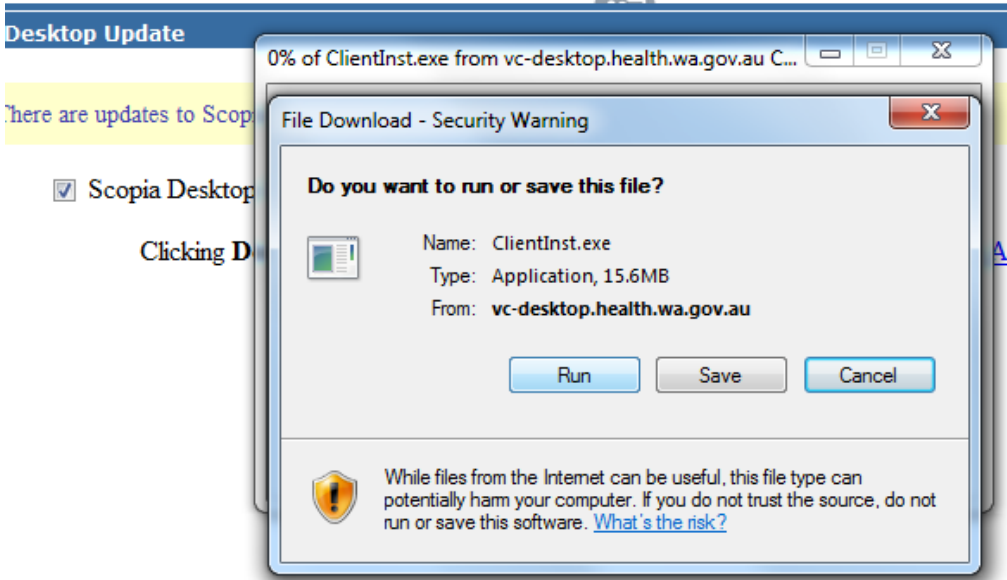

Lions Eye Institute: Jade Knapp (email: JadeKnapp@lei.org.au)

## Videoconference or PC

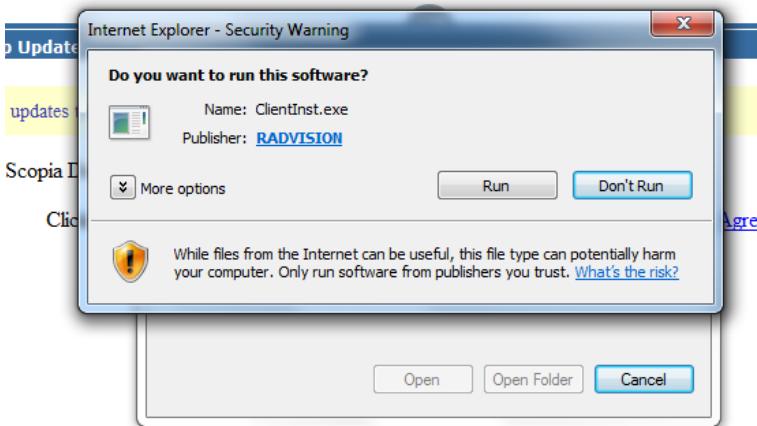

1. Go to <http://vc-desktop.health.wa.gov.au/scopia/entry/index.jsp>
2. Pop-up shown below should automatically appear. **Tick “Scopia Desktop Install Manager” and click “Download”.**

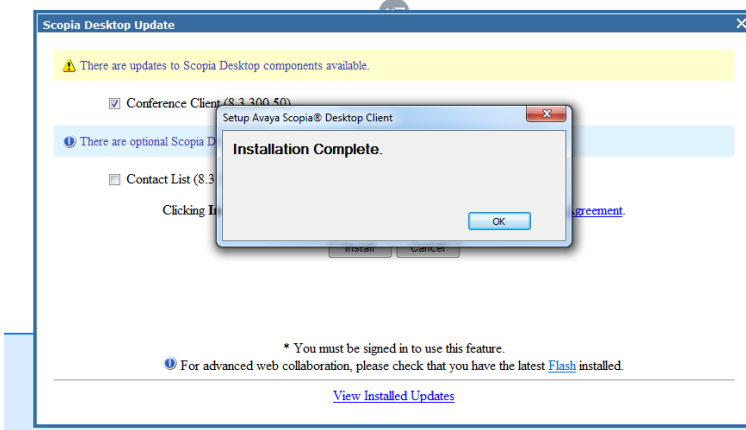

3. Pop-up “File Download – Security Warning”: **Click “Run”**

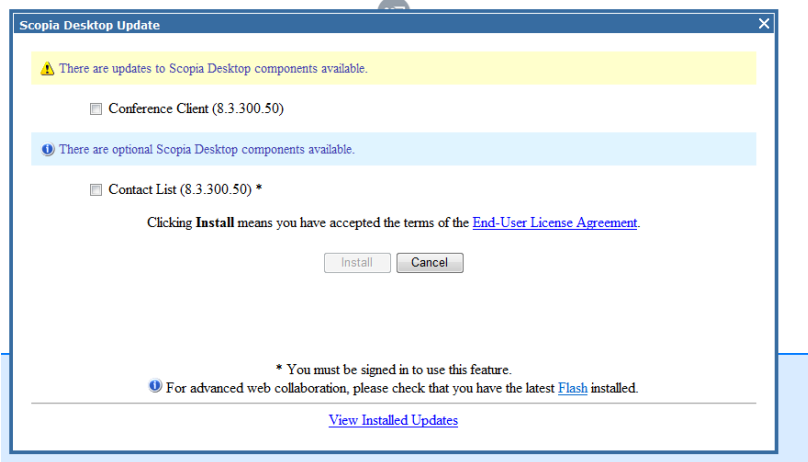

4. Pop-up “Internet Explorer – Security Warning” : **Click “Run”**

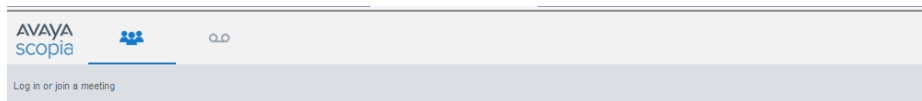

5. Installation complete. **Click “OK”**.

6. If another installation prompt appears, just click “Cancel”

7. Enter your name and the meeting number (provided once you register your attendance via EventBrite) and click “Participate now”.
