

## Scientific Writing: Practical tips to help you improve and enjoy your writing

Are you currently trying to write a scientific paper?

Do you find it hard to get started, write efficiently or write well?

This one hour seminar will provide a practical overview of scientific writing including how to negotiate authorship and publication.

**Associate Professor Sue Skull**

Associate Professor Sue Skull is a paediatrician, epidemiologist, public health physician and researcher. She is an experienced teacher of research methods and enjoys helping others improve and enjoy their research experience.

**Friday, 12 August 2016**

**12:30 – 1:30pm**

*There are 3 ways to attend the seminar:*
