All Schools (including Centres/Institutes) may nominate for Raine Visiting Professor Awards. These awards facilitate the visit of distinguished scholars to Western Australia for the purpose of advancing medical research.

The two categories of Visiting Professor Awards are:

- *Category 1* (long-term visits fully funded by the Raine Foundation)\*; and
- *Category 2* (short-term visits funded on a shared basis with the host Institution/School)

*\*The level of funding offered may be subject to the availability of funds to the Raine Medical Research Foundation.*

Prior to preparing the nomination form, Host Co-ordinators are advised to read the Conditions governing Raine Visiting Professor Awards, together with a document entitled: *RVP Program – Important Information*. Both documents are available to download from the Raine website:
