

# WAHTN

Western Australian Health Translation Network

**Consumer and Community Health Research Network (CCHRn)**

**One day interactive workshop**

**Anne McKenzie AM, Head, WAHTN Consumer and  
Community Health Research Network**

**This workshop is for those interested in involvement. You will gain the  
following skills:**

- Increased awareness of the value of involvement
- Develop an understanding and skills on the 'how and why' of implementing involvement
- Identify and address the barriers to consumer and community involvement
- You will learn from researchers and community members with first-hand experience and community involvement in research
