

MTPConnect, the Medical Technologies and Pharmaceuticals Industry Growth Centre, invites you to its '**Competitive Australia**' event in Perth

[Dr. Sandhya Tewari](#), General Manager of International and Government, and [Dr. Melanie Thomson](#), General Manager of Education, Skills, and Events will introduce the Draft Sector Competitiveness Plan to boost the competitiveness, productivity and innovative capacity of Australia's medical technologies and pharmaceuticals sector.

This 10-year strategic plan will be a blueprint for a more innovative and entrepreneurial Australia and position us to seize the next wave of economic prosperity.

This event follows on from the [Research Translation Symposium](#) at the Harry Perkins Institute of Medical Research.

Both events will be great networking opportunities as we bring businesses, industry organisations, and the science and research sector together to build links, unlock commercial opportunities and drive innovation.
