# Health Research Symposium

Thursday 8 December 2016

8:15am – 5:00pm

ND46/209

Sundowner through to 7.30pm

The [Institute for Health Research](#) is delighted to host the Health Research Symposium, showcasing a wide range of research our staff and research students are undertaking. We are thrilled to have **Professor Fiona Wood AM**, Burns Specialist and **Professor Paul Cohen**, Gynae-oncologist, present their respective research programs, highlighting cases involving our UNDA-based research students.

Our full day program includes presentations from the Schools of Medicine, Nursing & Midwifery, Health Sciences and Physiotherapy. We will conclude the program with a sundowner in the courtyard of the School of Education, ND36 from 5.00pm to provide an opportunity to discuss the day's highlights, network and unwind.

We invite you to attend the entire program or sessions of choice, as well as the concluding sundowner.

## Sponsorship

We would like to acknowledge the generous support received from the Western Australian Department of Health, **FutureHealth WA Grant** and the **Collaborative Research Network (CRN)**.

## Further details

Please email [Louisa Smith](#) if you have any queries.
