

RPH MEDICAL RESEARCH FORUM

Seminar Series 2017

5th Floor Seminar Room
Medical Research Foundation Building
Rear 50 Murray St, Perth WA 6000
Fridays @ 3pm
Enquiries: W/Prof Markus Schlaich phone: 9224 0382 email: markus.schlaich@uwa.edu.au

TIME: FRIDAY, 13 OCTOBER 2017 @ 3pm

VENUE: 5th Floor Seminar Room, MRF Building, Rear 50 Murray Street

PRESENTER: Dr Laila Abudulai

TITLE: New cutting-edge technologies in biomedical research

Dr Laila Abudulai is a Senior Research Officer at the Biological and Molecular Mass Spectrometry Facility (BMMSF) and Application Group Leader of Biomedical Sciences at the Centre for Microscopy, Characterisation and Analysis (CMCA). Laila joined the CMCA in November 2016 after successfully completing her PhD in Pathology at UWA where she studied antibody dysfunction in chronic HIV-1 infection in the lab of Professor Martyn French. Laila also holds a B.Sc. (Honours, first class) in Chemistry from Queen's University at Kingston, Canada and a Graduate Diploma in Forensic Science from UWA.
