## PERKINS Seminar Series

THURSDAY 23 AUGUST

### Jayden Rogers

VP Global Partnering  
Linear Clinical Research

**"Why WA is the next great destination for clinical trials"**

Jayden leads the international partnering and business development at Linear Clinical Research, a Perth based provider of early phase clinical trial services to global biopharma. In this role, Jayden has overseen rapid growth from US and Chinese Biopharma and the development of a range of innovative early phase clinical trial models. Prior to joining Linear, Jayden was the Commercial Manager for an Australian Biotechnology company who licensed its products with global giant Procter and Gamble in China, Japan and South Korea. He was a co-founder of a Medical Device start-up company which has been licensed to a Singaporean technology company. Jayden holds an MBA and Bachelor of Science from the University of Western Australia and a Masters of Physiotherapy from Curtin University.
