

# CONSUMER & COMMUNITY INVOLVEMENT IN RESEARCH

## ONE-DAY INTERACTIVE WORKSHOP

*Interested in involvement?*

*The Consumer and Community Health Research Network can help you get started!*

*"inspired me to look at current and future projects and how to get started"*

**STUDENTS WELCOME!**

Developed in direct response to researcher enquiries about practical ways to involve consumers and community members in their research this workshop was designed to help researchers:

- Increase awareness of the value of involvement
- Develop understanding and skills on the 'how and why' of implementing involvement
- Identify and address the barriers to consumer and community involvement

You will learn from researchers and community members with first-hand experience of consumer and community involvement in research.
