

Perth Biostat & Bioinfo Meetup 2023

This event brings together people with interest or expertise in medical and health statistics in Perth. It is an opportunity to socialise and network with peers, and encourage upcoming professionals to pursue a career in this worthwhile field.

Date: Tuesday, 13 June 2023.

Time: Light refreshments at 5:30PM for a 6:00PM start.

Venue: McCusker Auditorium, [Harry Perkins Institute of Medical Research](#) (North).

Three speakers will give brief addresses this evening followed by some time to mingle.

The Oceans Genomes Project - A Comprehensive High-quality Reference Genome Library for Marine Vertebrate Conservation and Biodiversity

Dr Rich Edwards, Ocean Genomes Laboratory, Munderoo OceanOmics Centre, UWA.

Approaches to combining information from different clustering algorithms: applied to neurodevelopmental diagnostic data

Wesley Billingham, Telethon Kids Institute

Simulations to inform power/sample size, assisting researchers through the unknown

Dr Matt Cooper, Telethon Kids Institute.

This event is **free** but please [register](#) your attendance to assist with catering.

This joint event has the support of many partners: [WA Branch](#) of the Statistical Society of Australia (SSA), the SSA [Biostatistics and Bioinformatics Section](#), [Clinical Trials Enablement Platform WA](#) (CTEP-WA), [Perth Epidemiological Group](#) (PEG), and the [WA Health Translation Network](#) (WAHTN).

If you have any queries, please contact the convenor, [Shih Ching Fu](#).
